**IVHQ Teacher Resources – Basic Curriculum and Lesson Guide**

**Childhood Grade 2 (7-8 years of age)**

**Remember:**
- Plan your lessons well in advance, defining the objectives of the lesson, learning outcomes and the materials required
- At the end of each unit, review the basics again and reinforce key learning outcomes
- Refer back to examples or activities you have used in previous units when working through new units
- Once all of the units in the Grade are completed, test the understanding of all students to make sure they are ready for the next Grade
- Keep a written record of the progress you are making with the class and ensure this information is provided to new volunteers when you finish your placement
